This week in Beech Class...

English

This week we have finished our learning about instructions. The children completed their board games and tested them by trying to follow the instructions that they had written.

Then we shifted our focus to SPaG. We have started to use the Little Wandle 'Bridge to Spelling' programme every morning. The children have also completed a SPaG assessment to point out any gaps in their knowledge. We ended the week learning about apostrophes for possession and contraction.

History

The children have been learning about Bronze Age monuments and their meanings. Then the children started to think about the monuments in our local area that we see every day and what they mean to us.

DT

The children have continued with their Cheese scones and recipe cards this week.
