

Year One Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

22nd March 2024

Learning Journey

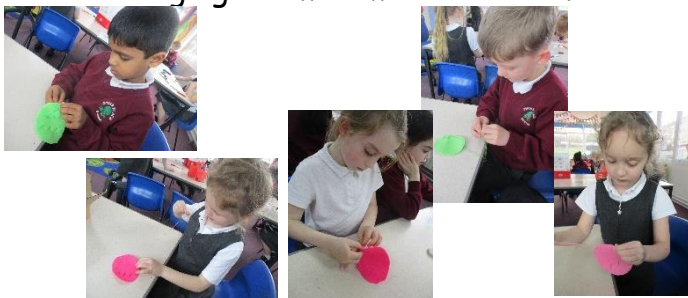

Thank you so much to those who made it into our Family Learning morning on Monday. The children loved working with their adult and we hope you all found it really useful.

Something strange also happened this week. It looked like something had crashed into our Year 1 playground! It was tapped off but there were some clues left behind (yellow feathers and footprints). After some investigating we discovered it was Beegu - our alien friend who has crashed into Earth and we need to help him find his way home again!

This week we have also started sewing our Easter pockets. We are exploring the running stitch and really concentrated doing this. We will be bringing them home next week.

Star Learner

Pranav is our star learner this week for always contributing to class discussions!

Game morning next Thursday

As part of a class treat for working so hard this term, we are inviting children to bring in a game they would like to play next Thursday (our last day of term).

They can bring in a board game to play with their friends if they would like, we have lots in school to so don't worry if you don't want to. Please can children not bring in a toy or cuddly toy.

Information for Parents
