

Highlights of the Week

Thank you to all the parents who were able to attend Family Learning this week. It was a fun morning but I feel some of our parents need to work on learning their times tables!

Last Friday morning, we spent some time at St Paul's Church learning about the Easter story. The children went around 12 stations in the church and thought about how the story of Easter can help us with our own lives. It was a fun session despite the rain on the way there and back.

Yesterday afternoon we were entertained by Rock Steady. Our year 6 group - Lillie, Molly, Poppy, Chloe and Rhea were amazing - well done girls.

Issue No 10 Spring Term
22nd March 2024
01932 842785

With the Easter Holidays fast approaching and SATs not too long after, I know some children will be getting a little worried. Please reassure them that they will be fine and I know they will all do really well in their tests. If you do want to do some extra revision over the holidays here are a few websites that might be useful.
