22nd March 2024

Nursery Activities and Play

It was wonderful to share our learning with so many parents this week. It is always nice to show you what we get up to during our time at nursery. If anyone would like to learn more about phonics, there is some useful information about how to pronounce the phonemes correctly and downloads of our nursery rhymes at <https://www.littlewandlelettersandsounds.org.uk/resources/for-parents/>

The PTFA have kindly provided every child with an Easter egg which the children have brought home this week. They also have a tube of smarties to enjoy and then fill with 20p pieces. Please support your child in filling their tube as all money raised goes towards supporting all children in school with activities, events and resources.

We would like to wish all our Willow class families a lovely Spring break together. Hopefully we will be able to enjoy some sunshine and warmer weather and we look forward to welcoming you back for the Summer term.

Information for Families

Important Dates

Monday 25th March

Last day of term for Nursery children

Tuesday 26th March

Parent meetings

Monday 15th April

First day of Summer term

Swimming

Children who are due to start school in September will be able to have swimming lessons next term. Details of the day the children will be swimming on can be found on the next page. If you haven't already, please return the permission form and make payment via Scopay.
