Learning Journey

The children had such a fantastic time at The Lookout Discovery Centre on Tuesday. They were on their best behaviour and listened to their adults really carefully. There was so much to do there and they said it was "the best day ever!" Thank you also to the parents who helped us.

The children were very brave and almost everyone made it up the really high tower (but not all of the adults)! We climbed 88 steps!

Star Learner

A huge well done to **all of Cedar class** for their fantastic behaviour on our school trip! We are so proud of you all!

We also planted our beans last week as we are learning all about plants in Science. We are keeping a bean diary and monitoring how they grow. These will come home with us at half term.
