

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,
Addlestone, Surrey 01932 842785
26.04.24

Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday!

The Easter break seems like a long time ago now and we're back into the swing of things here in Y4!

In maths this term, we are learning all about decimals. This week, we have been looking at tenths and hundredths, as decimals.

Children have been introduced to our core text *The Tin Forest*, in English. We have designed a poster, offering ideas of how rubbish can be recycled, as well as a leaflet explaining how rubbish can be disposed, using alliterative verbs.

Thank you all for kindly donating a pillow case towards our DT project this term. This week, children cut out their aprons and created templates for their applique design.

In science this week, we constructed food chains, considering which organisms are producers and which are consumers.

In PSHE, we are learning how we can look after ourselves and the world around us in a sustainable way.

Swimming is once again being enjoyed in the pool. Let's hope the warm weather returns soon!

Hope you all enjoy your weekend

Important Messages

PE is on Monday

Swimming is on Wednesday

Please ensure ALL PE kit is in school across the term, including trainers!

It is our class assembly next Thursday 2nd May. I look forward to seeing many of you there! Please can I request any costumes/props are in school on Monday next week.

Please continue to support your child with learning their times tables at home. If, for any reason, you are unable to access TT Rockstars at home, please let me know so I can provide alternate resources.

Important dates

Saturday 27th April - Notre Dame X Country

Thursday 2nd May - Y4 class assembly 9.15am

Monday 6th May - Bank holiday

Friday 24th May - End of term
