26th April 2024

Nursery Activities and Play

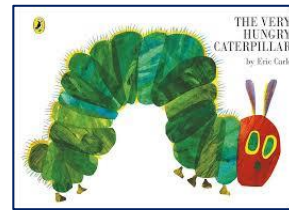

It is lovely to see all the children back and joining in with lots of activities so enthusiastically. A very warm welcome also to all our new families.

We have enjoyed spending lots of time outside in the sunny weather this week and are looking forward to lots of exciting activities this term.

Some of our older children have enjoyed starting their swimming lessons too.

Book Focus

Next week we will be focusing on the book 'The Hungry Caterpillar'.

Top Tip

Find opportunities in your day-to-day interactions with children to make up rhymes. Children's names can be a great starting point, for example: "Good morning, Sarah Bear-ah!" And remember that rhyming words don't need to be real....

If your child is due to start school in September, they will have now received a school offer. Make sure you accept this offer by 30th April to secure the place. We will be in contact later this term with details of transition activities for children who will be joining our Reception class at Ongar.

If your child is staying with us in Willow class in September and you would like to increase their current hours, please see Mrs Hall in the office to check availability for next term.

Information for Families

A few reminders

- Please remember to name anything your child brings into school - especially jumpers and water bottles.
- If your child cannot attend a session for any reason, please call Nursery or the office before the start of the session.
- Please let us know of any changes or events at home that may affect your child, so that we are able to support them.
