26th April 2024

Dear Parents,

A busy week as always at Ongar as children settle well into the busy Summer Term. Have a good weekend, Mrs Good

Fun Fundamentals

We have been very lucky to receive some funding to run a new sports club this term on a Friday, after school, for our Year 3 and 4 children and their parents! Parents who joined us last week really enjoyed the opportunity to spend time with their child and take part in the activities. We still have one space left, if another parent and child would like to join please speak to Mrs Hall.

Allergy Assembly

This was a great assembly to help the children understand different allergies. It was fun and informative whilst high-lighting how serious an allergy can be. As a reminder to parents, we have children and adults in the school with severe nut allergies we are a nut free school.

Year 5 Assembly

Thank you to Year 5 for our first class assembly of the year. The children gave us an excellent overview of some of the exciting work they had already completed this year. Well done everyone.

Year 1 Trip

Year 1 had a fantastic day at The Lookout Discovery Centre. A lot of children said "This is the best day ever!" There was lots to see and explore and almost every child made it 88 steps up the tower to look at the fantastic views. We enjoyed building, exploring water, light and dark, the human body and space. We even had enough time to enjoy the big outdoor park and had great fun on the caterpillar swing and pirate ship! The children were on their best behaviour and represented Ongar well. Thank you to all the adults who came with us.

Dates for your diary

The term is looking very busy already! Please see below for some of the dates that been set for this half term. These include class assemblies to which parents are invited. Additional dates will be added so please keep a look out for letters in your children's bags, emails and the learning letters. Further details for some of these events will be sent out soon.
