

Year 2

Learning Letter

Ongar Place School, Addlestone, Surrey 01932 842785

Friday 26th April

We have now started our final term of Year two. The summer term is one of my favourite ones. It is packed full for some fantastic units of work. Last week you should have all received the summer term overview that tells you everything that we will be learning about.

New class book.

This week we have started looking at poetry. We are reading the Owl and the Pussy-cat.

We have learnt all about noun phrases and suffixes.

Reading snapshot

Year 2 are doing an incredible job with their reading and quizzing at school. The majority of children love quizzing and meeting the variety of targets set on Accelerated Reader.

I wanted to share some of the class achievements since September.

We have completed **1238** quizzes.
We have read a class total of **957,098** words.
WOW!

Geography

We have also started our new geography unit where we will be exploring Kampong Ayer. This week we have located countries and continents in an atlas. We have improved our map skills and have been able to read and use a simple key

Important Dates

Monday 6th May- Bank holiday
Wednesday 22nd May- Year 2 Class Assembly
Friday 24th May- Break the rules day.

Computing

We have started a new unit, where we will be making music using digital technology. This is a great unit where the children get to explore and make music on the computer. We have learnt all about pitch and rhythm and explored how pitch and rhythm can change how we respond and feel about the music.

We are using Chrome music lab. It is a great programme which is very easy to use. If you would like to explore this at home, please scan the link.

Swimming

This week we have all enjoyed being back in the pool. Hopefully the weather will improve so we will be able to swim in the sunshine. Thank you to Mrs Bennett for helping the children during the swimming session.

Swimming is on Tuesday morning. Please ensure that children have full swimming kits.

Scott

For giving a great prediction about our new class book.
