Nursery Activities and Play

We have had another exciting week, with lots of fun and learning. We have enjoyed reading 'The Very Hungry Caterpillar' and learning about how caterpillars change.

We explored some of the different fruit the caterpillar ate and used these to make smoothies for our snack. They were delicious!

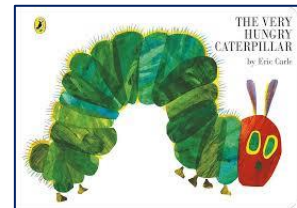

We love singing in Willow class and this week we learnt a new rhyme all about caterpillars. Scan the code to watch some of us performing it.

Book Focus

Next week we will continue to base our learning around 'The Very Hungry Caterpillar'.

Top Tip

Eric Carle, the author of 'The Very Hungry Caterpillar', wrote lots of other books. Why not visit the library with your child and choose one of his other books to read?

Willow Class Caterpillars

Some very special guests arrived in Willow Class this week. We are looking after some caterpillars. At the moment they are very tiny, but also very hungry just like the caterpillar in our book. We can't wait to see how they change.
