

YEAR 6 LEARNING NEWS

Highlights of the Week

This year's production will be
"I'm An 11 Year Old - Get me Out of Here!"

The children were really excited to read through the script and listen to the songs. Over the next couple of weeks auditions will be held and parts allocated before half term.

In science, we have been looking at mirco-organisms and the children have set up an investigation into mould. They have put bread (in sealed bags) in different locations to see how this affects the growth of mould.

Issue No 2 Summer Term
10th May 2024
01932 842785

A huge thank you from me to all of you - parents, children and ex-students - for your kind words, cards and gifts. I know my timing could have been better but the class is ready for next week and every one of them will make us all proud. So many things are in place for the rest of the term that I know a great time will be had by everyone. Hopefully, I will be able to pop in and see them before the end of the year but I wish you all every success and happiness.

Miss Watts
