Ongar Place Primary School, Addlestone, Surrey, 01932 842785

10th May 2024

Nursery Activities and Play

We have loved finally seeing some sunshine this week and the children have enjoyed playing and learning outside. Please make sure your child has a named water bottle - with water rather than squash every day. During the summer, please also bring a sun hat in and if necessary apply long lasting sun cream in the morning before school.

We are taking part in the 'Big Seed Sow' this year. Communities all over the country sow seeds and share data about which seeds grow the most successfully. Thank you to Mrs Staunton for coming in and helping us to start sowing our seeds this week.

Book Focus

Next week our book focus will be 'Let's go for a Walk'. We will use this to help us explore our local area.

Top Tip

You can watch Ranger Hamza go on a walk in his TV series to find out about nature and the environment.

Willow Class Caterpillars

Our caterpillars have been busy eating and growing this week. They are much bigger and quite furry now.

Information for Families

We will be welcoming a new staff member to the nursery next week. Miss Atkins will join Ongar and will work with Willow class full time. Miss Atkins is an experienced Early Years Practitioner and she will take on the Key adult role for the children who started this term along with Mrs Pirie.
