Continuing the Learning Journey!

We had an amazing time at Gatton Park! Here are a few highlights...

Focus on Learning

Next week we will be sketching and painting our favourite superheroes.

Information for Families

Quick reminder from the swimming teacher to remove earrings on swimming days.

Due to popular demand (pressure from the children!) on Wednesday 22nd the children in **Chestnut Class** are invited to bring in their bicycles or scooters to use throughout the day around the playground! I strongly recommend you supply a helmet for your child to wear. Please label the bicycles and scooters to avoid any mix up. They will be stored under the shelter just outside the classroom. Any problems please let us know.

Break the Rules Day is on Friday 24th May, please see PTFA letter for more information.

Thank you for your continued support,
Mrs Brill and Mrs Mount.
