

# Year 2 Learning Letter

Issue 28

Ongar Place School, Addlestone, Surrey O1932 842785

Friday 24th May

Another week down, bringing an end to yet another great half term with hundreds of successes and achievements. I think we all deserve a week off, I give you all permission to not come into school for a whole week! :)

This week I have included a lot of information and not many photos. I have lots of important information to share. Have a lovely half term!

## No Homework this week

You will be delighted that I have not set any formal homework this week. If you would like to do some extra activities, you can keep up the reading, write a journal each day about your half term, enjoy some baking or go for some lovely walks to find different plants and wildlife. You are welcome to post something on Seesaw to share with the class.

Half terms are a great time to catch up with family, enjoy being together and learning about the wonderful world we live in through enjoyable experiences.

Have a lovely, well deserved break- I look forward to welcoming you back for our final term of Year 2!

## Class Assembly

Thank you to everybody who came to celebrate our fantastic achievements in our class assembly. How wonderful were they? I can't believe how much we have learnt and how many class and personal achievements we have had.

## Good Luck Mrs Poulton

The time has come to say goodbye to the lovely Mrs Poulton. We are all so excited for your new adventure but will miss you so much. You have been a wonderful support to not only the children but to me and the general running of the classroom. We both know who is really in charge!

We wish you all the best and hope that you come back and visit us very soon. Maybe you can make a special guest appearance for our school trip?

Thank you again for being so wonderful.

## Forest School

After half term we will be having another block of forest school sessions. Please see the letter that came home this week for more information. The children completing forest school in the morning session can come to school ready to go with a school uniform in their bags.

### Group 1-AM

Alfie E	Amelia-Rose
Zayd	Barney
Christos	Elise
Elliott	Isabella
Leo	Naayal
