Ongar Place Primary School,
Addlestone, Surrey 01932 842785
24.05.24

Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday!

We've come to the end of another successful term. It's hard to believe that we return after the break, to our final term in Y4. The time just flies!

We are finishing our English unit this week, writing our posters advising how we can look after the outside space at Ongar Place.

In maths, we have been revisiting 'time' - reading, writing and converting between analogue and 12/24 hour digital time. This has been particularly challenging for many children. Please can I request that over the half term, you support your child at home with learning to tell the time. I will send home some additional homework to help with this.

We have been conducting a science experiment to determine which drink causes the most decay to our teeth. Ask your child what they discovered!

It was great to see so many children enjoying the district sports trials we held earlier in the week. Y4 were especially supportive of each other, which was lovely to see.

Wishing you all a fabulous half term break. Hopefully the weather will brighten and we can all enjoy some fun in the sun!

See you all a week on Monday,

Miss Hale 

Important Messages

PE is on Monday
Swimming is on Wednesday
Please ensure ALL PE kit is in school across the term, including trainers!

Please continue to support your child with learning their times tables at home. If, for any reason, you are unable to access TT Rockstars at home, please let me know so I can provide alternate resources.
