**Our Values:** Teamwork, Self-belief,  
Honesty, Passion, Respect &  
Determination

Happy Friday!

It's been a busy week here at Ongar. We enjoyed our sports day this morning and some of the Y4 children also attended the District Sports event earlier in the week, where they performed brilliantly.

Back in the classroom, all the children took the MTC check and I'm incredibly proud of how they all took this in their stride and tried their best. Results will be shared once we receive them, in 2 weeks' time.

In maths, we have been revisiting shape, as part of our geometry unit, recognising the properties of various quadrilaterals.

In English, the children have been writing in role as various characters in Cinnamon. This has involved them considering appropriate emotive language to convey the characters' feelings.

Children have continued to identify risk in PSHE this week, with a focus on road safety and the dangers in our local environment.

In science, we have been recognising the physical features and characteristics of different classes of animals and grouping them according to various criteria.

I hope you all enjoy seeing some photos of our sports day from this morning.

Have a lovely weekend,

Miss Hale

## Important Messages
