

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,
Addlestone, Surrey O1932 842785
21.06.24

Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday!

The sun has finally made an appearance with the hope that it may stick around this time. Fingers crossed!

In maths, we finished our unit on shape by looking at lines of symmetry. We used mirrors to help us, and considered methods to use when mirrors aren't available to help reflect a design across a line of symmetry.

In English, the children had a go at writing a limerick, understanding the rhyme and rhythm required to achieve this.

In RE, we continue to explore The Golden Rule and what this means for both religious and non-religious communities.

Children have continued looking at how we can group animals, with a focus on vertebrates and invertebrates, in Science this week.

Swimming continues to be a highlight of the week for Maple class. Children have been practising their breast stroke and were able to play with the noodles and basketball hoop, at the end of their session.

We enjoyed a lovely lesson with Y2 this week, as they showed us round parts of the school where we could find dragons, following their instructions featuring prepositions!

A reminder that Monday is class photo day. Please ensure children come to school looking smart and sporting their biggest smiles!

Have a lovely weekend in the sun!

Miss Hale

Important Messages

Please ensure children bring a hat into school and wear sunscreen as we expect next week to be very hot and sunny.

PE is on Monday

Swimming is on Wednesday

Please ensure ALL PE kit is in school across the term, including trainers!
