Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday!

It's been a hot week in Maple classroom! Thank you for sending hats in for the children to wear outside. They've proven necessary this week but please ensure they are named so they can be reunited with their owner if they become separated!

In English, the children have been role playing characters from Cinnamon and developing speech, remembering the rules around writing dialogue.

In PSHE, rail safety was the focus this week. Children discussed hazards and scenarios which were seen as low and high risk. They also reflected on the role peer pressure can play in risk taking.

We have been interpreting data in maths, looking at how this can be shown on bar charts, pictograms and line graphs. We even had a go at drawing our own. We have now started our final unit of the year - position and direction.

In science, we have been learning about classification keys and how these can be used to help group, identify and name a variety of living things in the local environment.

Swimming was a very welcome opportunity for children to cool down this week. They were able to finish their lesson with a spot of basketball which they always enjoy.

Hope you all have a lovely weekend,

Miss Hale

Important Messages

The school trip to the Wetlands centre is on Tuesday. Children need to wear school uniform and trainers. We will be spending the day outside, so please ensure sunscreen is applied to children before school and please send your children in with a hat.

PE is on Monday

Swimming is on Wednesday

Please ensure ALL PE kit is in school across the term, including trainers!

Important dates

Monday 1st - Weds 3rd July - Transition days

Tuesday 2nd July - Y3/Y4 School trip

Friday 12th July - Reports out
