24th November 2023

Dear Parents

It's been another busy week at school with lots of wonderful learning, clubs, fun and sadly some coughs and colds! The weather is getting colder but look how beautiful the sky over Ongar looked when

some of the teachers arrived on Wednesday. Have a good weekend.
Mrs T L Good

Bikeability

Some of our Year 6 children have been taking part in Bikeability training this week. Over the week they have been learning how to signal safely, perform safe u turns and know when it is safe to move. They have been listening very carefully to the instructors and are all making good progress towards being safer on the roads.

Chess Club

Another hugely successful term at chess club. All the players have improved and learnt some new strategies. This term's tournament was one of the closest yet with Jack B just beating Matthew B to first place. Grayson was awarded for being the most improved player and Logan received the 'Spirit of Chess Award' for his commitment and gamesmanship. Judd received a special medal for his achievement in the mini tournament for y Years 2 and 3. A huge well done to all the players – I look forward to seeing you next term. Mark
