Dear Parents,

How lovely that the sun has dared to show it's face this week, everything feels a little bit better when the sun shines.

We waved a very fond farewell to Miss Watts yesterday and wished her all our love as she starts her treatment. I know she is very grateful for all the kind words and best wishes she has received. I am hopeful we will see her at one event or another as we end the term. Have a fantastic weekend.

Like every other primary school next week Year 6 have their **KS2 SATs**. I will be with them for most of the days and know that they couldn't be any more prepared. All we ask of our children is that they do their best and possibly get some early nights! If your child is in Year 6 and can not attend school one day next week please let us know at the earliest opportunity so we can make adjustments to the timetable.

Social Media

Please can I remind parents that if there is an issue around school or our facilities comments on social media and WhatsApp Groups cannot be addressed. Please speak to the office, the class teacher or a senior leader.

Planting

Mrs Staunton found an old cold frame in the nursery and she relocated it to the garden area. Yesterday she spent some time in Nursery planting some of the seeds that have been donated with the children from nursery and some of our Year 3s. We look forward to seeing them bloom.

Thank you to Miss Wootton who has been working in Year 2 alongside Mrs Bullett as part of her teaching experience. We wish you lots of luck as you start your career!

Year 3 Class Assembly

This week Year 3 performed their Class Assembly where we were all treated to a host of scenes around The Incredible Book Eating Boy. The assembly was bolstered by a hit Hip-Hop crew Y3Gz who got the whole school bopping. A very big thank you to Mrs Reed and Mrs Carter for the performance and a well done to all of Year 3 for fulfilling our appetite!

Our Space

One of our ex parents contacted me this week with news that a new group is starting next week, open to all local parents who are supporting a child or young person with additional needs. The launch meeting is on Wednesday 15th May at 7pm at The Hive based at Holy Family Primary School (front lawn). The aim is for parents to gather, get to know each other and outline the groups objectives. Light refreshments and hot drinks will be available.
