5th July 2024

Dear Parents, As we head towards the end of term there are lots of events and some changes taking place. Children are also tired and hanging on for the holidays. We try to keep things as 'usual' as possible and give children space. However, some children find these changes trickier than others. If your child is struggling please reassure them that there is always someone in school they can talk to who will be able to explain what is happening and why. Have a fantastic weekend, Mrs T L Good

Year 5 and 6 Production

Last night was the first night of the Year 5 and 6 production of 'I'm an 11-Year-Old – Get Me Out of Here!' and it was a wonderful event. It was clear that the cast and the audience enjoyed themselves enormously. It was lovely to see everyone taking part and working together to produce some memorable moments for us all. Thank you to the parents, grandparents and friends who came, thank you to the cast for rehearsing so hard and behaving so well, thank you to Jubilee for lending us their theatre and finally an enormous thank you to Miss Minto and Mr Knott and the Year 5 and 6 team for putting together a brilliant show. I am sure it will be as amazingly successful tonight!

Chess Report

Another term of chess club has come to an end and yet again there has been some fantastic chess and successes for every player. The weekly tournament was a close-run thing with some great performances from everyone. The overall winner was Jack, with Zak coming in a close second on a tie breaker. This term's Most Improved Player was Oliver and The Spirit of Chess went to Hugo. The highest placed year 2 player went to Zayd.

I would like to say a huge thank you and good luck to the Year 6 boys as they move onto secondary school and hope that they continue to play chess. Well done to everyone – hope to see many of you next term – have a wonderful summer. Mark Josse

Year 3 and 4 Trip

Year 3 and 4 enjoyed a brilliant day out at the London Wetland Centre this week. Children followed trails where they were introduced to different wetland animals and completed fun activities. They loved seeing the otters at feeding time and there was even time to enjoy the delights of the adventure playground! They have all received family tickets to return, as well as online log-ins to continue their exploration of the natural world around us and become 'Guardians of the Wild'.

Transition

This week all the children moved up to their new classes to meet their new teachers. It was a very positive experience and gave everyone an opportunity to have a taste of next year. If you have any questions please don't hesitate to come and talk to me or Mrs Pirie. It was also lovely to see our Year 6's back today from their time at secondary school for their last two weeks at Primary!

PTFA Summer Fair

A huge thank you to everyone who attended and volunteered at the **PTFA Summer Fair**. We raised just over £4,000 and are absolutely delighted with the success of the event. It was so lovely to see our parents and children enjoying themselves and taking part in our wonderful community event. Our aim is to use some of the available PTFA funding to create some shade on the front playground. If anyone in our school community has links to this type of work we would appreciate some guidance. I would also like to take this opportunity to say a huge thank you to Laura Bademosi who has chaired our PTFA for the last couple of years. She has been a delight to work with and we will miss her next year.

Summer Holiday Support

The Voucher Support Scheme will continue to run over the summer. Surrey CC is providing support by issuing vouchers through the school via Wonde. Vouchers will be issued to eligible families on the 15th July. If you need support and you do not usually receive any, please don't hesitate to contact Mrs. Good - we may be able to help.
