

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School,
Addlestone, Surrey 01932 842785
Issue Number Two

Autumn Term

English

During our writing sessions, the children completed reading 'Leon and the Place Between'. After engaging in thoughtful discussions about how the author evokes empathy through language choices, the children were inspired to produce their own narrative pieces.

French

This week, the children immersed themselves in the French language, engaging in role play to learn how to greet others and ask for names.

Maths

This week, the children continued their Maths journey with learning about Place Value. The children built on their understanding of number lines and focus on using the number line to 1,000.

They were exposed to a variety of number lines, both to and within 1,000 and with different start and end point values.

Achievement

This week achievement certificate has been awarded to **Barney** for his exceptional performance and dedication in our Maths sessions.

Well done, Barney!
