Starting the Learning Journey!

Thank you for attending the Early Years coffee morning, I hope you found it useful and informative. If you have any questions following on from this please ask either myself or Mrs Pirie.

This week's learning:

- This week we started Little Wandle phonics, the graphemes we learnt were: S, A, T, P, I. The handwriting sheets that are sent home are to support the class learning. They do not need to be returned to school but they do need to be completed please.
- The children are really enjoying their yoga sessions and Jumpstart Jonny workouts!
- The children are enjoying being independent learners.

Focus on Learning

We are creating a 'Guess Who?' display using photographs of the children from when they were babies. Please send baby photo's in, with who they are on the back. Many thanks!

Information for Families

Just a quick reminder...

We have started our PE sessions (Friday mornings) so kits need to be in school (all items labelled). The kits are sent home to wash at the end of each half term. Earrings need to be removed for PE, either by your child or before school.

Please check your child's bag for letters, pictures etc. Also, encourage/remind your child to hand in letters from home. We are unable to check individual bags each day, the children also love to help by taking letters to the office!

Dates for your diary:

Friday 27th at 9am Little Wandle workshop

Monday 30th at 7.30pm PTFA meeting (all welcome, please come!)

Many thanks for your continued support,
Mrs Brill and Mrs Mount.
