Starting the Learning Journey!

Thank you for attending the Early Years Little Wandle reading morning, I hope you found it useful and informative. If you have any questions following on from this please ask either myself or Mrs Pirie.

This week's learning:

- We continued Little Wandle and have started 'blending' words together to read together. I also introduced the tricky word 'IS'.
- Some children are finding it difficult to recognise their names so we are playing matching games to embed this, we have also been playing matching games during our maths sessions.
- The children have finished off painting their self portraits this week, they are wonderful!

Focus on Learning

Next week we have a drama workshop with Perform.

Information for Families

Just a quick reminder...

Please remove nail varnish for school.

Miss Shields has been busy helping the children to make Christmas cards (yes, you read that correctly!) for you to purchase and raise funds for school via the PTFA. The cards will be sent home today. If you like them, please return them and follow the instructions of how to pay. We will hand them to the PTFA and they send them off to be made!

Dates for your diary:

Monday 30th at 7.30pm PTFA meeting (all welcome, please come!)

Thursday 17th October: Harvest Festival assembly at 2.30pm

Many thanks for your continued support, Mrs Brill and Mrs Mount.
