

YEAR 6 LEARNING NEWS

Highlights of the Week

This week we have read a lot more of our class book *Holes* and are getting really into it! We've written Newspaper reports about Miss Katherine Barlow leaving Greenlake town in disgrace and discussed multiple predictions about how it is all going to piece together by the end of the book.

In Maths we have been focusing on written methods for multiplication and division and everyone is feeling more confident now about both of these processes. We will continue to practise these methods, along with column addition and subtraction, every week if not every day. For those who have totally mastered them, I have introduced Sudoku challenges!

Forest Schools: You should all have had a letter on Monday containing the instructions for Forest School Days - in short, the children need to come to school in suitable clothing (not school uniform) and will then spend the day doing Forest School activities. Please ensure your child has layers of clothing, coats, waterproofs and wellies or walking boots to protect them from the elements.

Those who normally have school dinners on those days have put in their packed lunch requests.

Issue No 4 Autumn Term
4th October 2024
01932 842785

The Globe Theatre: This is also happening next week. The children should arrive in school at normal time, bring a coat but wear school uniform. We are hoping to be home by 5:45pm. This will be a long day so please provide your child with a lightweight bag, water bottle and extra snacks.

Information for Parents

Dates for the diary

Forest Schools

Group 1: Mon. 7th Oct and Wed. 16th Oct
