Continuing our Learning Journey!

We have had a very busy week in Chestnut Class, singing harvest songs, learning about harvest and practising our harvest assembly. The weather is feeling very autumnal now, please ensure your child has a warm coat as they love to play outside in any weather!

This week's learning:

- In Little Wandle we are continuing to 'blend' sounds to read words. Tricky words: I and IS.
- The children had a great time at the perform workshop.
- In maths the children have been comparing amounts.
- We read the Funny Bones story and the children used chalk to sketch skeletons.

Focus on Learning

Next week is 'feeling good week'. We will be cooking healthy pizzas, participating in dancing and yoga and the children are invited to bring in their bikes and scooters on Friday (see separate letter).

Information for Families

Just a quick reminder...

If at all possible we would really appreciate £2 a term contribution for cooking ingredients and malleable materials.

Throughout the next few weeks I will be assessing the children's phonic knowledge. I will then send home a book (depending on their ability) to share with you once they have read it at school.

The story books sent home last week (for parents to read to your child) will be changed every Friday.

Dates for your diary:

Thursday 17th October: Harvest Festival assembly at 2.30pm

Many thanks for your continued support,
Mrs Brill and Mrs Mount.
