

# YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,  
Addlestone, Surrey O1932 842785  
11.10.24

**Our Values:** Teamwork, Self-belief,  
Honesty, Passion, Respect &  
Determination

Happy Friday!

Let me start off by saying how proud I was of everyone on Tuesday. Our long journey was rewarded with the most amazing ballet performance, for which the children sat beautifully throughout. I really hope they enjoyed the experience and have some special memories of our day at the Royal Opera House.

In maths this week, we have been adding 4-digit numbers using more than one exchange and also looked at how we can subtract more efficiently - whether we can round numbers to aid this, and whether we should count-on or count back.

In science, children learnt about condensation and we conducted an experiment using a transparent container, water, ice and cling film to show this in action.

This week, children painted their still-life composition in art. Our focus was on noticing the light and dark of our objects and using tints and shades, along with consideration of our equipment to ensure our objects appeared 3D.

In RE this week, we reflected on what makes a good ruler and learnt about the most important quality God expected in His Kings. We were introduced to God's covenant with David - that he will be King of Israel, as will all his descendants.

In PSHE, we discussed the difference between a fixed and growth mindset and how a growth mindset can help us achieve our goals.

## Important Messages

### **TT Rockstars**

The expectation is that children log on and practise at least 3 times a week. If you have any issues logging into TT Rockstars at home, please let me know.

### Important dates

Tuesday 22<sup>nd</sup> October - School photos

Tuesday 22<sup>nd</sup> October & Thursday 24<sup>th</sup>

October - Parents Evening (3.40pm-6.30pm)

Friday 25<sup>th</sup> October - School breaks up

Monday 4<sup>th</sup> November - School returns

Tuesday 17<sup>th</sup> December - Panto trip
