

Highlights of the Week

This week saw the last of our Forest School sessions as well the second group starting to make their Shelters. We have continued to look at division in Maths as well as going through the answers to some SATs tests that we did a couple of weeks ago. All the children have now had the chance to take these test papers home. Please remember that I use them as a way to see what we need to do more work on - please don't panic that they haven't got top marks yet!

Spelling is an area that we all need to work on so this week all the children have had a chance to play some free online Spelling games. We used Spelling Frame but there are many online options when it comes to practicing key Maths and English knowledge.

Bike Ability and Mufti-Day

Next week will be Bike Ability for those children who signed up. Please see the original letter for details.

Next Friday is also a whole school mufti-day. If you wish, your child can have a Halloween themed outfit but please can you ensure this is appropriate for in school (with younger children around) and remember that many children will have Bike Ability in the morning. There are to be no masks, face paints or weapon accessories please.

Issue No 7 Autumn Term
18th October 2024
01932 842785

The Globe Theatre: The children had a wonderful time last Friday, not just watching the production but also in the workshop and even simply seeing the Sights of London from the coach. I am very pleased to say that they behaved wonderfully and we were very proud to be with them.

Information for Parents

Dates for the diary
