

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School,  
Addlestone, Surrey 01932 842785  
Issue Number Six

## Autumn Term

### Maths

This week, the children deepened their understanding of addition and subtraction. They practiced using number lines to solve problems within the hundreds, applying their strong foundation in number bonds to 10. This fluency allowed them to confidently identify and make jumps to the next multiple of 10, enhancing their efficiency with both operations.

### Art

This week, the children delved into scale and composition to craft abstract drawings inspired by the works of Georgia O'Keeffe. Their artwork was both expressive and unique, showcasing their individual creativity in captivating ways.

## Achievement

This week achievement certificate has been awarded to **Rosie** in recognition of her outstanding development of critical thinking skills, as well as her ability to research, evaluate, write, and present data during the Geography sessions. This week achievement certificate has been also awarded to **Charlie** in recognition of his hard work, dedication, and perseverance throughout our Geography sessions.

Well done, Rosie and Charlie!

## Important Messages

### Home Learning

Children have been given homework in their home learning books to be completed by Thursday.

### Dates

Please review the Headlines and the school website for upcoming dates.

### Friendly Reminder

Please ensure that the children are practicing their times table on TTRS.

Free website:

<https://www.timestables.co.uk/2-times-table.html>

### Non-uniform day - 25<sup>th</sup> October

Children are welcome to dress out of uniform on October 25<sup>th</sup>. Please ensure that outfits are appropriate for school. No masks, face painting, or toy weapons are allowed. Halloween costumes are optional, but must still follow these guidelines.
