## Dear Parents

A wonderfully busy week once again with children taking part in our performance and some fantastic learning going on across the school! Have a great weekend, Mrs T L Good

## Ongar at the Globe

Last Friday Year 5 and 6 travelled to The Globe Theatre in London by coach to spend a fantastic day submerged in Shakespeare. They started the day with a tour of The Globe and were lucky enough to be able to watch a scene for the play they were about to see being rehearse onstage. They then went to the Education Centre and took part in a workshop which gave them the opportunity to discover more about the script and the story. After a quick lunch by the River Thames they then found their seats in the Globe Theatre and watched a brilliant production of A Comedy of Errors. All of the children I spoke to said it was a great day and a wonderful experience. I felt very proud as we were complimented by several of the workers at The Globe on our children's behaviour and attitude. Thank you to all the adults that accompanied us and to Theatre Works who provided some of the funding for the trip.
