

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,
Addlestone, Surrey O1932 842785
08.11.24

Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday!

In maths this week, we have started our unit on multiplication and subtraction with a focus on the 3 and 6 times tables. We have identified related division facts and recognised the relationship between 3 and 6 (6 is double 3) and how this can help us problem solve.

In English, we started to read our new book *Odd and the Frost Giants*. This is a story of Viking adventure, which ties in with our history this term which is learning all about the Vikings.

In history, children learnt that the Men of the North (as they were known then) invaded British shores at Lindisfarne and that we remember this event as the first Viking attack of British shores.

Sound is our topic in science this term and we ventured around the school on a sound walk!

In computing, we have moved onto our unit of work on audio production and this week we learnt about input and output devices.

In DT this term, children will be preparing and making soup. This week, we practised our knife skills, cutting and dicing playdoh.

We loved getting outdoors in the fresh air to enjoy some tag rugby this week. Children learnt how to hold and pass the ball correctly and understand that tag rugby is an invasion game.

Hope you all enjoy a lovely weekend.

Miss Hale

Important Messages

TT Rockstars

The expectation is that children log on and practise at least 3 times a week. If you have any issues logging into TT Rockstars at home, please let me know.

Important dates

Rocksteady concert - Thurs 5th December at 2.30pm
