

# Foundation Stage Weekly Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 14  
24<sup>th</sup> January 2020

## Continuing the Learning Journey!!

We have had such a busy time in Chestnut Class this week. In Read, Write, Inc we have finished the set one speed sounds and are introducing speed sound set 2. These contain at least two letters that make just one sound.

### This week's learning focus:

- We had another gym session in PE and used lots of apparatus. We built upon our previous lesson of balancing and climbing. Every child had their PE kit this week and all earrings had been removed. Thank you!
- In maths the children have been adding two lots of objects/numbers. We discussed the addition and equals sign in great detail!
- In art we are encouraging the children to look carefully at animal patterns and skin types.

## Focus on Learning

*Next week we will be making healthy sandwiches and writing simple instructions.*

*We would really appreciate £2 voluntary contribution towards malleable items and foods.*

*Thank you in advance.*

As animals is our topic please relate this to 'Show and Tell' on Friday.

## Class Star Learner

**All the children are STARS this week for having their PE and getting ready in super speedy time for PE time!**

## Information for Families

Reading is so important. We read with the children throughout the day and specifically during Read Write Inc. Please help your child's ability to progress further by reading with them as often as possible (even one page an evening is fine as the books get more wordy) and commenting in the yellow reading record.

Many thanks,  
The Chestnut Team
