

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School,  
Addlestone, Surrey 01932 842785  
Issue Number Nine

## Autumn Term

### Maths

This week, the children embarked on an exciting new learning block focused on multiplication and division. They explored the connection between repeated addition and multiplication by building and using arrays, deepening their understanding of concepts like commutativity. For example, they discovered that 3 groups of 5 yield the same result as 5 groups of 3. To further develop their skills, the children collaborated in groups to tackle a variety of engaging tasks, fostering teamwork and problem-solving abilities.

### PE

This half term, the children are focusing on mastering essential physical skills such as balancing, running, pumping, hopping, and skipping. Each lesson builds on their ability to change direction with balance and control, enhancing their overall coordination. They also have opportunities to explore how their bodies move at varying speeds, practicing techniques to accelerate and decelerate effectively.

## Achievement

This week achievement certificate has been awarded to:

- **Brooke** in recognition of her active participation in our RE sessions and for thoughtfully sharing her ideas with the class.
- **James** for his insightful analysis of images during our RE sessions and for clearly expressing his unique points of view.

**Congratulations on your exceptional dedication and hard work!**

## Important Messages

### Home Learning

Children have been given homework in their home learning books to be completed by Thursday.

### Dates

Please review the Headlines and the school website for upcoming dates.

### Friendly Reminder

Please ensure that the children are practicing their times table on TTRS.

Free website:

<https://www.timestables.co.uk/2-times-table.html>

### PE

PE this half term will be on Thursdays. Our focus will be on developing core Fundamental skills. Please ensure that children have their full PE kit at school to participate comfortably and safely.

### Forest School

Our Forest School sessions will be held on Wednesdays. Please make sure children are dressed appropriately for the weather to ensure their comfort and safety during outdoor activities.
