

# YEAR 6 LEARNING NEWS

## Highlights Junior Citizen Trip

On Tuesday afternoon we had another trip out. We had 7 short workshops providing the children with information on how to stay safe near water and railways, emergency medical care, daily tooth care, recycling and climate change and a sports activity. I think it's fair to say that the children all learnt a lot in a very practical and engaging way. Ask your child about what's so important about the extra line on the railway and why it **MUST** be avoided.

Issue No 9 Autumn Term  
21<sup>st</sup> November 2024  
01932 842785

**Information for Parents**
