

# YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey O1932 842785

17<sup>th</sup> January 2020  
Week 2 Spring 1

## Our Learning Journey

In phonics, we have learned **ph** (phone) and **wh** (whale), **ew** (screw) and **ew** (pew), **oe** (toe), **au** (autumn) and **ey** (key). The pace of our learning has increased somewhat and I would urge you to keep listening to your child read each day. Some of our sounds look the same like **ew** and **ew** but they sound different: **Pew** / **screw**

In handwriting, we have been practising capital letters as often as possible. We have also been talking a lot about nouns and adjectives. We have sorted nouns into people, places and things.

In maths, we have been making 10 using numicon pieces so that we can practise our number bonds. We have used this knowledge to help us move on and make number bonds to 20. We used ten frames to help us with our understanding and we also tried the inverse operation. As part of our cross curricular activities, we now include short, decodable maths problems in phonics.

In PE, our football skills training has included more dribbling drills so that children have more time to practise this skill. They played a game called Robin Hood and we had a winning house. Children also practised their skipping skills as a warm up.

We will be moving onto passing and receiving over the next couple of weeks.

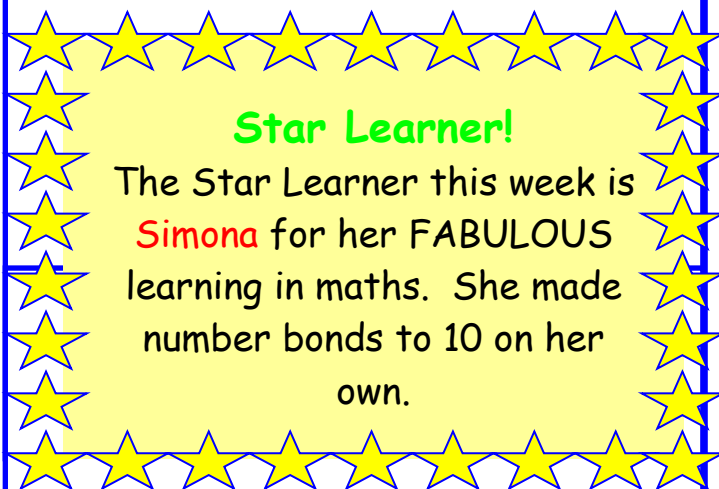

## Focus on Learning

Our daily phonics continues and next week we will be learning the split digraphs: **a\_e**; **e\_e**; **i\_e**; **o\_e** and **u\_e**. Words like:

Cake  
Theme  
Kite  
Rope  
cube

Our tricky words are: some, come, were, there

The invite for the Maths Mastery Parent Workshop has now gone out. This hour is beneficial for all parents as it gives information on how we teach maths at Ongar Place Primary. We look forward to seeing you there!

## Star Learner!

The Star Learner this week is **Simona** for her **FABULOUS** learning in maths. She made number bonds to 10 on her own.

## REMINDERS

- ✓ PE is now taking place on Wednesday and Thursday. Please can we have PE kits in for the whole half term
- ✓ Maths Mastery - Parent Workshop on the **30<sup>th</sup> January 2020** at 2.15 pm
- ✓ Year 1 Trip to Wisley on the 26<sup>th</sup> February 2020.

Many thanks  
Mrs Marwick
