

YEAR 1 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey O1932 842785

7th February 2020
Week 5 Spring 1

Our Learning Journey

We have done some amazing science experiments in class and I am hoping that children are sharing them with you at home. To begin, we were looking at investigating a suitable material for a raincoat. We decided to test a paper towel and plastic to find out which material was the most absorbent. The children had to write as many questions as they could think of for this experiment and also make a prediction.

For fun, we then decided to do a colour mixing activity with Skittles and water. Children had to write down their prediction of what might happen to the skittles over night (and resist eating them!). We then linked this experiment to our art lesson where we mixed the primary colours in chalk to find out what secondary colours would appear. Children have now been introduced to three of the seven elements in art: line, shape and colour.

In handwriting, we have been practising writing our numbers in words and we will move on to writing the days of the week and months of the year.

Our PE session involved skipping skills as a warm up activity. Children are being encouraged to persevere and beat their personal best. We have continued with our football skills and have played a few games involving dribbling.

Focus on Learning

Our daily phonics continues and next week we will be learning the split digraphs: a_e; e_e; i_e; o_e and u_e. Words like:

Cake
Theme
Kite
Rope
cube

Star Learner!

The Star Learner this week is **Myla** for her super listening skills. **Myla** produced a piece that ticked all the success criteria: portrait, watercolour splash, patterns on the welly boot in oil pastels.

REMINDERS

- ✓ PE is now taking place on Thursdays. Please can we have PE kits in for the whole half term - will return them on 14.02.20
- ✓ Year 1 Trip to Wisley on the 26th February 2020.
- ✓ World Book Day 6th March 2020
- ✓ Break up day 14th February 2020

Many thanks
Mrs Marwick
