

# YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,  
Addlestone, Surrey O1932 842785  
24.01.25

**Our Values:** Teamwork, Self-belief,  
Honesty, Passion, Respect &  
Determination

Happy Friday!

This week saw us finish reading our English text FaRther. Children have started to write their sequel, in character as the boy as a grown man...I wonder what dream they might have?

In maths, we have been looking at dividing 2 and 3 digit numbers by 1 digit, with remainders. Times table knowledge is key in helping children with this. I have been encouraging the children to use TT Rockstars to help learn their times tables and your support with this at home is very much appreciated!

Science was a lot of fun (and noise!) this week as children created circuits featuring bulbs, motors and buzzers! They are learning what is needed to allow electricity to flow through a circuit and had a go at drawing their own circuits.

In history, children became detectives to analyse pictures of ancient Mayan ruins and consider what each of these might have been used for.

In PSHE this week, we considered how feelings can be experienced at different levels of intensity and how we might express these, discussing how we can seek advice and support to help manage our feelings.

'Repeating patterns' was our computing focus this week. Children learnt how to identify patterns in a sequence and use a 'count-controlled loop' to create an algorithm.

Wishing you all a lovely weekend!  
Miss Hale

## Important Messages

**PE - Monday & Wednesday** (children come to school dressed in their kit on these days)  
**Forest school - Fridays**

## **TT Rockstars**

The expectation is that children practise at least 3 times a week. If you have any issues logging onto TT Rockstars at home, please let me know.

## Important dates

14.02.25 - Break the rules day

14.02.25 - End of term

24.02.25 - Return to school

26.02.25 - Parents Evening 1

27.02.25 - Parents Evening 2

02.04.25 - PTFA Disco

End of term 1.30pm - 04.04.25
