

Amber-lines

24th January 2025

Dear Children,

After the excitement of Ofsted last week Mrs Pirie planned a sleepover for me this week at Mrs Brown's house. It was lovely to be able to put my paws up and relax for a couple of days! Coming back to school this morning I can see that everyone has been very busy!

Amber RULES!

Approach me calmly from the front

Stroke my back with one hand only

Make sure I never have more than three hands on me

If I move away, leave me be

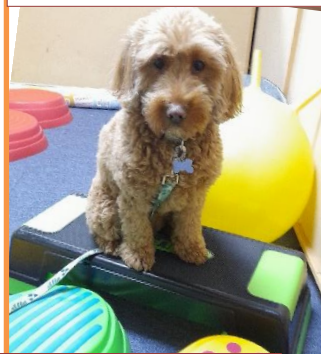

Only feed me dog treats that an adult has given you

PTFA

The PTFA met on Monday. I wasn't able to come but my friend Radley came with his human Mrs Brill. The PTFA have lots of wonderful things planned for this year including Cake Sales, a disco, fund raising and a quiz night for grown-ups. Thank you to everyone who supports the PTFA (there is always room for more helpers) I look forward to seeing you at an event soon.

I tried to be a good role model when I met Valentina the puppy at Mrs Brown's house.

Fun in the Sensory room.

Sensory Circuits

I know you have all been very excited about the new equipment that has been bought to create Sensory circuits. Of course, I have tried out all of the resources and am sure they are going to be a fantastic way of making sure you are all ready to learn.
