

Break the Headlines

14th February 2025

Dear Parents,
 Happy Valentines Day to you all – we are feeling a lot of love in school today particularly as we break the rules and even more so as we break up for half term today!
 It has been a very busy term and we all need a rest. We look forward to seeing you on the 24th February.
 Best wishes Mrs T L Good

On Monday 4 of our Year 6 boys, Owen, Jacob, Suliman and Barney, went to a Judo Festival. They had a fantastic time, joined in with all the activities and got to meet the Mayor! As a result of Mrs Bullett’s networking skills, while she was there, we have managed to secure some funding to run a free Judo club after half term for Year 3, 4 and 5. Look out for the letter coming out today – places will be allocated as the replies come in to school either tonight or on Monday after half term.

Football News

Ongar's Y5/Y6 boys team played Cleves in the ERPSSA Cup on Tuesday. It was a really entertaining first half and the boys were unlucky to go down 1-0, right on the stroke of half time. Starting the second half strongly, Ongar battled hard and were rewarded when Ethan scored to draw things level. With the tie heading towards extra time and both teams having their chances, it was Ongar who were victorious, with Ben scoring to seal a 2-1 win in the closing minutes. This victory means the boys now progress to the quarter finals against Thorpe. A big thanks to parents for their support and congrats to all the boys - Ethan, Fletcher, Grayson, Ben, Lennon, Henry, Frank & Hugo. A real team effort!
