

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School,  
Addlestone, Surrey O1932 842785  
Issue Number 17  
7th February 2020

**Our Values:** Teamwork, Honesty,  
Self-belief, Determination, Passion  
and Respect

## Focus Learning

To bring our Rocks and Soils topic to a close, the children created their own Rock Museum in the hall. We invited Year 2 down to join us. They were able to see our work, learn some new facts and have a go at some of the experiments. Year 3 did a fantastic job at setting up their work stations and their explanations were very thorough. Thank you Year 2 for popping along and being so engaged.

In Maths this week, we have been looking at 2D shapes. This included naming, describing, knowing what a right angle is and calculating perimeter.

Congratulations to our Year 3, 4 and 5's who took place in the Dance Festival- you were an absolute credit.

## Star learner

Our Star Learner this week is all of Beech Class for their enthusiasm and hard work towards their learning. Have a fun and restful break. From Miss Minto, Mrs Bullett, Miss Meyer, Mrs Slater and Miss Shields
