Dear Parents,

What an incredibly busy week! Despite the weather, we have continued to learn and create memorable moments. Thank you to staff who have ensured children stay safe and cool by adapting some of our usual routines and to you for making sure children have arrived in school with water bottles, sun hats and wearing sun cream.

Chestnut Class Assembly

On Wednesday, Chestnut class performed a wonderful assembly about the enormous turnip to the whole school. They entertained us all with their great acting and singing skills. It is amazing to see how much our Chestnut children have grown in confidence since the start of the Year. Well done, Chestnut Class and staff!

Inter-House Activity Days

This week saw all of the children participating in our Inter-house events. Children worked in teams to earn points for their houses. All children took part in a sports carousel as well as many other tasks including general knowledge quizzes, a handwriting competition, a drawing competition, performance poetry and design tasks. There did need to be a few changes due to the very hot weather, but everyone had a fantastic time.

The points will all be tallied up and children will find out next week how many each House achieved.

A big thank you to all of the Year 6 children who helped to organise the activities and were amazing at supporting the younger children.

Year 4 trip to Wisley

On Wednesday Year 4 visited Wisley Gardens. It was a very hot day but we managed to find lots of shaded areas to keep us cool throughout the day. The children explored the different spaces taking photographs and sketching plants and animals that they spotted. After a busy day, there was just enough time for a quick play in the adventure playground before heading back to school.
