27<sup>th</sup> June 2025

## Dear Parents,

This half term seems to be flying past with so many exciting events taking place. Today the children all came to school in their own clothes and we are all looking forward to the Summer Fair this afternoon. As well as arranging the fair, the PTFA have also been busy organising a Colour Raffle. Each class has been allocated a colour and next Friday, the children can come to school dressed in that colour in exchange for something of that colour to go into their class' raffle hamper. For more details, please see the letter from the PTFA or the PTFA website.

Have a lovely weekend.

## Brickies workshop

Today we celebrated 'Great, Big, Green Week' with a series of workshops, funded by Runnymede Council and run by Brickies. The children had an amazing time designing and making their own sustainable homes out of Lego. Some of their homes even had wind turbines and electric vehicle charging points! We were especially delighted to welcome the Mayor of Runnymede, Margaret Harnden and her consort Rob Marshall to see some of our creations.

## Transition

Next week children will get to spend some time in their new classes with their new adult. Year 6 will also be spending some time at secondary school. A letter will go out on Monday explaining the process.

## Year 5 and 6 Production

We had a fantastic rehearsal at Jubilee for the Year 5 and 6 production 'Shakespeare Rocks'. We are looking forward to the performances next Thursday and Friday. If you haven't got tickets or would like to see if there are any spare please contact the office.

## Nursery Class

This week, Willow Class, our Nursery children were very excited because they finally got to release the butterflies they have been watching grow and transform from caterpillars! Mrs Hall is currently organising our new intake for next year. We take children from 2 - 4 years old, with intakes in September, January and April. If you have a child in this age group and would like them to join us, please contact the office for more information.
