Dear Parents,

Another wonderful week at Ongar with lots of events and learning taking place across the school and beyond! Thank you all so much for your continuing support.

Have a great weekend

Year 5 and 6 Production

Last night we had our amazing first performance of Shakespeare Rocks at Jubilee Theatre. The children performed fantastically well; singing, dancing and performing with confidence and flair. Thank you to everyone who supported the production, both staff and parents.

Transition

This week all our children tried out their new classes for some of the week. The Years 6s disappeared off to their secondary schools for two days and came back full of tales of tutor groups and fun. We are all so proud of them for embracing this next stage of their education and so pleased that we have managed to put in place everything they needed to make this part of the move successful.

In school everybody moved up a year group for 3 mornings. With their new teachers and TAs they completed some writing, reading and maths and also wrote 'All About Me' sheets. They also managed to find time to find out about their teachers and have some fun.

We are very lucky here at Ongar to have an amazing, dedicated and stable staff. None of our teachers are leaving and they will all be staying in their current year groups. Some of our TAs will be moving to provide support in different classes or to provide continuity for children. In September we will be welcoming back Miss Watts from her extended leave having treatment. She will be returning part time initially and sharing the Year 5 Class with Mrs Chaudhry.

PTFA

Thank you so much to the PTFA who have arranged two events for us in two weeks. The school fair was a lovely event. It was so nice to see so many of our families enjoying the sunshine and supporting the school. Today the children are all in colours and brought in items for the colour hamper raffle. Tickets are still available for this, to be returned to the office by Friday 11th. Thank you to everyone particularly to our wonderful PTFA members, led by Craig Fenton.
