

# Year Two Learning Letter

Ongar Place Primary School, Addlestone, Surrey 01932 842785

28<sup>th</sup> February 2020

## Learning Journey

This week we have continued look at 'The Way home for wolf'. We have been writing instructions about how to create a wolf dance. We also carried out an experiment to see how the sun made the ice crack in the story and wrote a chronological account of our investigation.

In Maths we have been exploring fractions and finding halves, quarters and thirds of amounts.

There have been some fantastic projects arriving in school and we have really enjoyed learning from each other. We are so impressed with the high standard of projects and the amount of effort that has gone into them. Everyone has presented their learning to the class confidently, helping to develop our speaking and listening skills too.

## Star Learners

Molly-Rose was able to set out her maths work neatly, show her working out and use this to help her find thirds of different amounts. Well done!

We are looking forward to celebrating World Book Day next Friday. We are able to bring in a favourite book from home and come to school dressed in our pyjamas.

## Information for Families

It was lovely to meet with you all this week at parents' evening.

Friday 6<sup>th</sup> March - World Book Day

Friday 13<sup>th</sup> March - Infant Music Festival

Wednesday 18<sup>th</sup> March - Year 2 assembly at 9.15am
