Starting our Learning Journey!

Welcome to our new children and families! The children have already begun their learning journey in Chestnut Class, they are making friends, playing new games and enjoying all that school has to offer.

Please remember to **label all clothing** and supply a bottle of water (no juice) for your child, we have a filtered tap in class to refill throughout the day.

This week's learning:

- The children are learning the routines and expectations of school. We have a lovely role play home corner area but we are lacking dolls clothes, if you have any you can spare please can we have them?
- The new Chestnuts have made friends are sharing and turn taking beautifully.
- We have shared many books this week about starting school.
- In Show and Tell the children have been talking about the wonderful things in their chatterboxes.
