

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School  
Addlestone, Surrey 01932 842785  
Issue Number One

## Welcome back!

Welcome to Year 3! We are excited to begin this new school year with your children and look forward to working in partnership with you. This year will be filled with new learning opportunities, challenges, and achievements, and together we can support the children to reach their full potential. Thank you for your continued support—we can't wait to see all that the children will accomplish in Year 3!

## Autumn Term

### Maths

The children have begun their maths learning by focusing on place value. They have been exploring how to partition numbers up to 100 and are beginning to represent these on a number line. This is helping them build confidence in counting in hundreds, before moving on to explore the structure of 100 in greater depth.

## Important Messages

### Dates

**Thursday 18<sup>th</sup> September** – First swimming lesson

**Friday 26<sup>th</sup> September** – Flu vaccinations

**Tuesday 30<sup>th</sup> September** – Family Club

### Friendly Request

Please ensure that children regularly practice their times tables on TTRS (Times Tables Rock Stars). Additionally, please continue reading with your children daily, as this greatly enhances their comprehension skills.

## Achievements

This week achievement certificate has been awarded to:

- **Molly H.** for confidently contributing her thoughtful ideas during our PSHE lesson.
- **Evie** for working well in a group and explaining how families can support each other during our PSHE learning.

**Congratulations on your exceptional dedication and hard work!**
