Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday everyone!

It's been another great week of learning in Year 4. Here's what the children have been up to...

We are fast becoming budding authors as we continue to create exciting sentences in English. This week, we have seen how effective metaphors and onomatopoeia can be to engage readers. We've also played around with sentence lengths for effect.

In maths, we have been focused on numbers up to 10,000. Children have been identifying and estimating numbers on a number line and adding 1, 10, 100 and 1000 more/less to a number.

In computing, we considered what and how we can share on the internet. We looked at web addresses to understand domain names, we learned about data centres hosting websites and we learnt that devices need a web browser to access the world wide web.

In history this week, we were introduced to the Anglo-Saxons and children considered the reasons why the Angles, Saxons and Jutes may have migrated to Britain, following the departure of the Romans.

In art, children used their knowledge of creating light and dark using tints and shades, to paint an object to make it appear 3D.

The children are using the gym equipment in the hall this term during PE and as you can see, they're loving it!

Wishing you all a great weekend, Miss Hale

Important Messages

We are in need of a parent helper who is DBS checked, to help with our swimming lessons on Wednesday afternoons from 1.15pm - 3pm. If you are available to help we would be very grateful! Please let the office know if this is something you can do.

Homework is 20 minutes of TT Rockstar practice across the week (Fri-Fri). Spellings will also be set on a Friday, for a quiz the following Friday. These will be set on SeeSaw.

Important dates

Flu vaccinations - Friday 26th September
Finish for half term - Friday 24th October
Return to school - Monday 3rd November
