

Highlights of the Week

I am sure that for the children, a highlight of the week was having the apparatus out in PE on Tuesday with Mrs Masey. I passed through the Hall on several occasions and felt I had to take some photos - it was wonderful to see everyone joining in, having a go and smiling.

Week 4 Autumn Term
26th September 2025
01932 842785

In English lessons we have learnt about the different ways commas can be used and continued with our work on Holes. We imagined we were Stanley and wrote a fictitious informal letter to 'Mom' about how wonderful the Camp was and then we wrote Diary entries about the reality of the events that are unfolding. In Maths we have started work on the 4 main operations. There is addition and subtraction homework this week to consolidate the written methods and we have now moved on to multiplication and division. In Science we have revised the Digestive System and started online projects linked to Healthy Diets and Lifestyles.

Information for Parents

20th and 22nd October - FOREST SCHOOL
