

Year 2 Learning Letter

Ongar Place School, Addlestone, Surrey 01932 842785

Friday 3rd October 2025

What a busy week, so many lovely learning opportunities, parent clubs and a lot of reading. If you have attended a family club, I hope you enjoyed it as much as I did. I would also like to remind all parents and carers that I have an open door policy; it is important that we work together. Please come and see me if you have any worries or concerns. I will always make time for meetings in person or on the phone.

Accelerated Reader

This week the children have been fantastic and are starting to get to grips with Accelerated Reader.

I am aware that many of you have a lot of questions about Accelerated Reader. Hopefully the newsletter from last week gave a bit of an understanding.

At the moment we are teaching the children how to use the programme at school and in the next few weeks we will begin to expand this to you at home.

For now it is just important that you read with your child, little and often, record what you have read in the reading record books and try to ensure that their reading folder is in school everyday.

On **Wednesday 21st October at 9am**, we will be holding an Accelerated Reader parent workshop. We would love to see as many of you there as possible to answer any questions or queries.

Something smells a bit fishy...

Important information & dates

PE sessions this half term
