

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School,
Addlestone, Surrey O1932 842785
03.10.25

Our Values: Teamwork, Self-belief,
Honesty, Passion, Respect &
Determination

Happy Friday everyone!

It's been another busy week in Y4!

We have now finished our unit on Place Value in maths and children have taken an end of unit quiz to check their understanding of the concepts covered.

In English, we have finished writing our own version of the first chapter of The Iron Man. This week we focused on building expanded noun phrases and used editing skills to up-level our work so far.

Following our exciting chocolate experiment in last week's science lesson, exploring how materials change state, this week we have been learning about the water cycle. We have learnt what evaporation, condensation and precipitation mean and what their role is within this cycle. Did you know that scientists believe that a water droplet can spend approx. 3,200 years in the ocean before repeating through the water cycle!

In computing, we considered who owns content on the internet and in art, children sketched their own still-life compositions.

There will be an Accelerated Reader workshop for all parents on Tuesday 21st October @ 9am. This is an opportunity to learn how you can follow your child's reading progress at home.

Cauliflower cards have gone home with children today. Please order as per instructions.

Wishing you all a lovely weekend, Miss Hale.

Important Messages

Homework is 20 minutes of TT Rockstar practice across the week (Fri-Fri). Spellings will also be set on a Friday, for a quiz the following Friday. These will be set on SeeSaw.

Important dates

Accelerated Reader workshop - Tuesday 21st October @ 9am
Finish for half term - Friday 24th October
INSET Day - Monday 3rd November
Return to school - Tuesday 4th November
